The City of Boardman Planning Commission will conduct a Public Hearing for a Variance request from Woodhill Homes for 129 SW Eagle Dr., Tax Lot #912 (4N 25E 17DB). The request is for a Class C Variance which is a Type III decision process for the Planning Commission, consistent with Boardman Development Code (BDC) §5.4.100. The variance is for a front yard setback of 13.6' due to shape of the lot on a knuckle turn instead of the minimum set back of 15'; the garage is 17.4' which does not meet the minimum 20'. The approval process is governed by BDC §4.1.500.

The public is invited to comment on this request by submitting comments in writing, or electronically to be added to the record for the Planning Commission decision; comments will be received until 5:00 p.m. October 6, 2021.
